

ZKMANET3451 28Mbps Drone Video Data Link Commercial Uav Data Link System With FHSS Option And IFS

Our Product Introduction

for more products please visit us on zkmanet.com

Basic Information

- Place of Origin: Shenzhen
- Brand Name: ZKMANET
- Certification: CE
- Model Number: ZKMANET3451
- Minimum Order Quantity: 1
- Price: 1000USD/PC
- Packaging Details: Carton
- Delivery Time: 15days
- Payment Terms: TT
- Supply Ability: 10000pcs/year

Product Specification

- Network Nodes: 32
- Data Rate: 28Mbps@10MHz & 56Mbps@20MHz
- FHSS: Optional
- TTL Port: Support
- Type: Data Link System
- IFS: Optional
- Size: 120*90*40mm
- Weight: 475g
- Highlight: Commercial Drone Video Data Link,
28Mbps Drone Video Data Link,
Uav Data Link System

Product Description

Product Description:

The Drone Data Link System boasts impressive data rates of up to 28Mbps at 10MHz and 56Mbps at 20MHz. This means that you can enjoy high-speed data transmission, allowing you to capture and transmit large amounts of data quickly and efficiently. The system also has a bandwidth of 2.5/5/10/20MHz, ensuring that you have plenty of options when it comes to selecting the right bandwidth for your needs.

In addition to its impressive data transmission capabilities, the Drone Data Link System has an output power of 4W, ensuring that you have a strong and reliable signal even when operating in challenging environments. This makes it the perfect drone video receiver, allowing you to capture and transmit high-quality drone video and images without any interruptions or loss of signal.

With its advanced features and capabilities, the Drone Data Link System is the perfect drone video module for a wide range of applications. Whether you are using your drone for commercial or recreational purposes, this data link system will provide you with the reliable and secure communication you need to get the job done.

Features:

Product Name: Drone Data Link

Output power: 4W

IFS: Optional

Power Supply: DC12-36V

Size: 120*90*40mm

Type: Data Link System

Features:

Enables transmission and reception of drone video module

Designed for drone UAV VTOL video transceiver

Provides reliable and high-quality UAV Transmission Module

Technical Parameters:

Product Name:	UAV Transmission Module
Product Type:	COFDM DRONE VIDEO TRANSCEIVER
Product Description:	Drone UAV VTOL video transceiver
RF Channel:	2T2R

Power Consumption:	<12w
HDMI Interface:	Support
Bandwidth:	2.5/5/10/20MHz
Size:	120*90*40mm
Power Supply:	DC12-36V
Weight:	475g
Frequency Band:	1300-1500MHz
IFS:	Optional
TTL Port:	Support

Applications:

The ZKMANET3451UM Drone Data Link has a data rate of 28Mbps@10MHz and 56Mbps@20MHz, allowing you to transmit data quickly and efficiently. With an HDMI interface, this product supports high definition video transmission, making it ideal for drone SDR image transmission. The weight of the product is 475g, making it lightweight and easy to carry, while still being sturdy and durable. The encryption of the data link is AES128, ensuring that your data transmissions are secure and protected from unauthorized access. The ZKMANET3451UM Drone Data Link has a 2T2R RF channel, ensuring that your drone UAV VTOL video transceiver is always connected and able to transmit data. This product is perfect for commercial drone UAV data link, allowing you to transmit data and images from your drone to your ground station with ease. The product has been designed with versatility in mind, making it suitable for a range of occasions and scenarios.

Whether you are surveying land, inspecting buildings or capturing aerial footage, the ZKMANET3451UM Drone Data Link is the perfect solution for all your drone communication needs. With its high data rate, lightweight design and secure encryption, this product is a must-have for anyone who relies on drones for their work or hobby.

Customization:

At ZKMANET, we understand that every drone is unique and requires specialized accessories to meet your specific needs. That's why we offer product customization services for our drone video transmission antenna.

Our products are certified by CE and originate from our headquarters in Shenzhen. We offer a minimum order quantity of 1 and provide packaging in sturdy cartons for safe delivery. Our delivery time is approximately 15 days and we accept payment via TT. With a supply ability of 10,000pcs per year, you can trust ZKMANET to deliver a high-quality, customized product at an affordable price of 1000USD/PC.

Support and Services:

Our Drone Data Link product comes with a comprehensive technical support and services package to ensure that our customers receive the best possible assistance with the product. Our services include:

24/7 technical support

Access to our online knowledge base

Training and user manuals

Product repair and replacement services

Software and firmware updates

Our team of experienced professionals are dedicated to providing timely and effective solutions to any technical issues that may arise with the product. We strive to provide the highest level of customer satisfaction through our technical support and services.

Packing and Shipping:

Product Packaging:

One Drone Data Link device

One set of antennas

One USB cable for charging and firmware updates

User manual and quick start guide

Protective carrying case

Shipping:

Shipping will be handled by our trusted carrier partners

We offer free standard shipping within the continental United States

International shipping rates may vary and will be calculated at checkout

Orders will be processed and shipped within 1-2 business days

Customers will receive a tracking number via email once their order has shipped

FAQ:

Q1: What is the brand name of this product?

A1: The brand name of this product is ZKMANET.

Q2: What is the model number of this product?

A2: The model number of this product is ZKMANET3451UM.

Q3: Where is this product made?

A3: This product is made in Shenzhen.

Q4: Does this product have any certifications?

A4: Yes, this product has CE certification.

Q5: What are the payment terms for this product?

A5: The payment terms for this product are TT.
